THE QUARTERDECK

SEE YOU AT THE BEACH DURING COASTAL CLEANUP DAY

Beach litter isn't just ugly. It endangers the lives of every animal that lives off the California coast. So get a couple of friends and come help clean up California's beaches, rivers and parks during Coastal Cleanup Day, Saturday, Sept. 19. Volunteers are reminded to bring their gloves.

This year's cleanup takes place from 9 a.m. until noon. The grassroots effort has added significance this year because of the formal dedication of the Monterey Bay National Marine Sanctuary on Sunday, said Natalie Schaefer, chairwoman for the local effort.

Area locations in Monterey County that are scheduled for the cleanup are: Zmudowski State Beach, Moss Landing State Beach, Salinas River State Beach, Monterey Dunes Colony, Marina State

Last year's volunteers pose in front of Coast Cleanup sign at Del Monte Beach.

Beach, Sand City Beach, Monterey Beach Hotel, Del Monte Beach, Naval Postgraduate School Beach, Wharf II, Wharf I, Coast Guard pier, McAbee Beach, Pebble Beach, Carmel-by-the-Sea, Carmel River Beach, Monastery Beach and Garrapata State Park.

If you would like more information or want to volunteer in the coastal cleanup program, call 384-7695.

STUDENT EXAMS STRESS REDUCERS

Overcoming exam anxiety helps students achieve better results.

There are two main types of stress-reducers: physical and mental. Physical de-stressors include exercise, dancing, swimming, yoga sports and hobbies. Mental de-stressors are relaxation techniques, positive self-talk, meditation, reading, listening to music, tv and breathing exercises.

Some practical examination techniques include: allowing adequate time for revising/reviewing notes; making summaries of material; making a study timetable; allowing more study time closer to exams; and doing practice exams.

Other preparations deal with the students' health and physical well being such as getting enough sleep, keeping up an exercise program, eating a minimum of junk food and drinking lots of water.

Use these techniques regularly to avoid symptoms that stress can cause in life - not only at exam time.
